# Join us for our celebration of Pentecost on May 20 Foreign language speakers needed

May 20<sup>th</sup> is the Day of Pentecost this year, the day of our namesake the Holy Spirit. Holy Spirit has the custom of reading the lesson from Acts in as many languages as possible on Pentecost. The sound of many languages recalls for us the experience of the disciples and the crowd on that first Pentecost following the Resurrection. We invite anyone who knows a language other than English to read the lesson in that language at the 10:15 a.m. service on Sunday, May 20. Even if you are a bit shy or not overly confident of your pronunciation, you can add your voice to the mix! If you are interested in participating, please

contact Rev. Terri at the church office, 542-2167 or revterri@holyspiritmissoula.org. Translations of the Bible text (Acts 2:1-21) in many languages are available at http://bibledatabase.net/.

Please wear something red on that day as a sign that we are all touched by the flame of the Holy Spirit. We also celebrate following the 10:15 a.m. service with our Pentecost Coffee Hour of strawberries and ice cream in the church courtyard (weatherpermitting). Please join us. Thank you for helping us celebrate this festival of the Holy Spirit!

#### Join the Holy Spirit Crafters!

Hellgate High School and Parenting Place Community Ministries:

## Stirring up abundance

It began with a simple question. Jody Thomasson wondered what might be most needed at Hellgate High School these days. We spoke about how some students who are homeless or face other instability access vouchers from the school to wash their clothes at Sparkle Laundry.

A chord was struck, and Jody brought her story of growing up in need, along with an Adams peanut butter jar and some encouraging note cards, to her fellow 8 a.m. parishioners. Over three Sundays, we shared more stories and student facts, and we asked one another how many \$4 wash/dry loads we might stir up together. By the third Sunday, the jar overflowed with enough for

more than 150 loads, card after card with scripture verses and reflections left the church tucked in bags and coat pockets, and we found a few more things that connect us.

And when I called Dominic at Sparkle to ask about the balance in Hellgate's voucher fund, he said he had just let the school know that the fund stood at minus two dollars...perfectly-timed abundance on so many fronts.

Grateful for God's abundance in our stories, care and connectedness,

- THE REV. DORCIE DVARISHKIS 239-7655 dorcied@gmail.com

## Honoring mothers and fathers

The children have some special plans for Mother's Day to honor both mothers and fathers (since Church School is not in session on Father's Day). Kids won't want to miss this opportunity to celebrate family and share their love with their parents. Join us on Sunday, May 13<sup>th</sup>.

Back by popular demand, Animal Wonders will be with us for our party on the last day of Church School, Sunday, May 20<sup>th</sup>. Join us as we meet critters of North America. When you see the animals that live in our own state and country, you will be reminded how beautiful and unique Montana really is. Learn how these native animals live alongside us when we don't even know they are there. Montana's native animals

are amazing, there's much more to learn about them than you ever knew!"

Children will have a brief children's worship time to honor classroom shepherds and helpers and to acknowledge those children who are making significant class transitions. Then they will enjoy the presentation by Animal Wonders.

Kids are encouraged to come early on this day and get their face painted for Pentecost. Katsu will be here by 9:45 a.m. to start painting and will be us until 11:45.

# Come enjoy Compline in spring's waning light – May 6<sup>th</sup> at 8 pm

Compline at Holy Spirit changes with the season. Of course, each month's music is appropriate to the liturgical season, Advent, Epiphany, Lent. Then there is the quality of the day, autumn's coolness, winter's hard cold, spring's hints of the coming summer. And finally, there is the varying length of day.

On May 6<sup>th</sup> at 8:00 p.m. we will hold the next to the last choral compline service of the season. Sunset that evening will occur at 8:53 p.m. meaning that the beautiful reds and blues of the church's stained-glass windows should be aglow with the evening light. You are invited to this special moment. Come sit in the quiet stillness as evening descends, and the choir sings in celebration of Christ's redemption of this world.

# Help us fill backpacks for Grace Camp this month

It's Grace Camp Backpack time! Throughout the month of May, we will be collecting backpacks and materials for Grace Camp at Camp Marshall! Participants at Grace Camp have an incarcerated parent, and it has been Holy Spirit's tradition to support this ministry by sending each camper a backpack filled with toiletries, towels, and other necessities. We will be collecting backpacks, toothbrushes, toothpaste, soap/shampoo sunscreen,

Chapstick, notebooks, pencils, socks, and water bottles, and we hope to be able to fill 30 backpacks for Grace Camp. If you would like to make a monetary contribution for Grace Camp backpacks, that would be wonderful as well! If you would like to donate materials or money, please contact PJ at PJ@holyspiritmissoula.org or (406) 661-3359. You can also bring your donations to the church office.

## It's almost graduation time!

Is someone from your family graduating soon? We would like to recognize that accomplishment in the *Spirited Times*, our e-newsletter, and in the church bulletin. If you would let the church office know the graduate's name, the name of their school, and their degree if they are graduating from college, we would greatly appreciate it.

For our high school graduates, we would love to have their name and to know what their plans are for after graduation. You can call the church office at 542-2167 or email us at office@holyspiritmissoula.org.

Thank you!

Back-to-School Bash:

# Help us collect books for needy children

It's time again to begin our collection of new and gently used books for the annual Back-to-School Bash, which provides free backpacks filled with school supplies for needy children in Missoula County. As in years past, this is our chance, along with other Missoula faith communities, to provide free books to children grades preschool through high school who might not otherwise have access to good quality books to call their own. One of the best features of the drive is that all the students attending the event get to select the kind of book that appeals to them. Disney, Boxcar Children, Harry Potter, the Hunger Games, dinosaurs, horses, volcanoes and Civil War stories, all help to make reading exciting and fun. (Please no Bibles or religious books since this is an event aimed at students who attend Missoula County Public Schools.)

Please look for a plastic bin in the vestibule beginning on Sunday, May 13. Even though the Bash is not held until mid-August, we would like to begin our book collection before Church School and the regular 2017-2018 school year

end. We are seeking clean, new and gently used books for children and young adults up to age 18. Even though the Bash itself is directed at school-aged children and teenagers, many families with babies in tow appreciate having board books for them to hold—and perhaps chew on—but best of all, begin to see reading as an appealing and fun activity!

We shall be collecting books throughout the summer. The event's sponsors, The Salvation Army and United Way of Missoula County, value Holy Spirit's coordination of the faith community's book drive as a critical component of this annual kick-off to the new school year. It also is a thrilling and humbling experience for those of us who have had the privilege to work at this event. We welcome your generous donations. We also invite anyone who would like to become more involved to contact Lucia Solorzano Work at lucia.solowork@gmail.com. Thank you!

## Our Wider Church...The Study of Marriage

The General Convention's Task Force on the Study of Marriage is recommending the development of pastoral resources that demonstrate the Church's relevance and its recognition of the rising rate of U.S. adults who live in sexually intimate relationships other than marriage. Their research indicated that in 2016 approximately 18 million U.S. adults were in such cohabiting relationships, a 29 percent increase over a nine-year period, and about 4.1 million of those people were age 50 or older. Accordingly, two new rites to add to the "Enriching Our Worship" series will be brought to the General Convention for consideration in July. "The Witnessing and Blessing of a Lifelong Covenant" would be for samesex couples desiring to be married in civil jurisdictions where such marriages are not allowed. "The Blessing of a Lifelong Relationship" would be "for couples who desire to formalize their monogamous, unconditional and lifelong relationships" that "do not include the merging of property, finances or other legal encumbrances." If adopted, the use of the rites would have to be approved by diocesan bishops, and no member of the clergy would be required to officiate at such blessings.
